

Changing lives in Africa one child at a time!

- Do you want adventure?
- Do you have talents to share?
- Do you like helping others?

**Join us for the 2011 Mission trip to
Africa: September 9 – 23
Call us for details 1.800.906.7032**

Our yearly mission trip is always a good way for people to devote a week or more during their summer break to a very good cause. It is fun and educational. Our African children love when people make a trip to visit them.

They also learn so much from their visitors.

We need people who can help organize, teach, build, repair, use personal skills and lend support. You do not have to be a professional, just willing to help.

Join us next September. It will be a trip you will never forget and the children will never forget you
